

VII. COMMUNICATIVE PRACTICE WITH PICTURE CARDS (DVD OFF)

Picture Cards to be used: PCBK 1 – L1 – PICTURE CARDS 1, 2, 3, 4, 5, 6, 7

- Have the students sit in a circle.
- Place all the cards on the floor so that all the students can see them.
- Ask a student to close his/her eyes.
- Ask another student to choose one card and hold it so that when the other student opens his/her eyes he/she can't see it.
- Tell the student to open his/her eyes, to look at the cards on the floor, and to try to guess which card is missing, that is, which card the other student is holding.
- Have the student holding the card ask him/her what it is.
- Repeat the procedure above until all the cards have been used.

VIII. ACTIVITIES (in general) (DVD OFF)

- The stickers for Activity III can be found at the end of the SB (Student's Book).

IX. READING TEXT (DVD ON)

- Play the reading text twice.
- Students follow the text in their books.
- Call for volunteers to read the text.

Bob: Hey, Rachel.

Rachel: Hi, Bob.

Bob: What's this?

Rachel: It's a book about cars.

Bob: Cars? Oh!

X. LCP (Listening Comprehension Practice) (DVD ON)

Note to teachers:

Talk to the students about the importance of being able to understand spoken English. Explain to them that the exercises in the LCP will train them to distinguish between similar sounds, to recognize vocabulary and to listen for main ideas.

It is imperative that you accompany the exercises at all times so that you will be aware of any difficulties the students are having.
